2022

ENGINEER

Belarusian State Agrarian
Technical University
2009 - 2013

PAVEL VOITOV

FRONTEND DEVELOPER

ABOUT ME

Frontend developer with 1+ years of experience commercial and project development.

I develop web applications and sites in JavaScript and TypeScript with primary use React, Redux. I have experience as an individual developing projects from scratch, as well as experience in team. I have backend development skills parts of applications using Node.js and Express. I constantly exchange experiences and I am learning new technologies.
